HARTING RJ Industrial® PN
field-installable RJ45 plug
part.-no.: 09 45 151 1120

Pushing Performance

09451511120

**HARTING RJ Industrial® PN RJ45 connector
4-pole**

- Robust industrial design
- Fully-shielded
- Field-installable with IDC technology
- For solid and stranded conductors
AWG 27 up to AWG 22
- max. wire diameter 1,6 mm Ø
- Cable diameter 4,5 – 9 mm
- Degree of protection IP 20
- Cat. 5, performance class D
suitable for 10 / 100 Mbit Ethernet
- Temperature range –40 °C up to +70 °C
- 750 mating cycles

**HARTING RJ Industrial® PN RJ45 Steckverbinder
4-polig**

- Stabiles industriegerechtes Design
- Voll geschirmt
- Feldkonfektionierbar mittels IDC-Technologie
- Für Massiv- und Litzenleiter
AWG 27 bis AWG 22
- max. Aderndurchmesser 1,6 mm Ø
- Kabeldurchmesser 4,5 – 9 mm
- Schutzart IP 20
- Kat. 5, Übertragungskategorie D
geeignet für 10 / 100 Mbit Ethernet
- Temperaturbereich –40 °C bis +70 °C
- 750 Steckzyklen
